Family Suite

These Suites are for larger families or groups traveling together and include special Suite-only benefits. The two bedrooms are connected by a large living room with a sofa bed, which leads to an expansive private 153-square-foot balcony. Each Two-Bedroom Family Suite sleeps up to six people and includes two bathrooms (one with bathtub).

The two bedroom family suite may not be booked online. Please contact our Customer Service team in order to reserve these staterooms.
